

Wingate High School Technology

Accessing the Infinite Campus Parent/Student Portal

Wingate High School provides a tool called Campus Portal that allows access to student related information for parents and students.

The URL for primary access is <https://bie.infinitecampus.com/campus/portal/wingatehs.jsp>

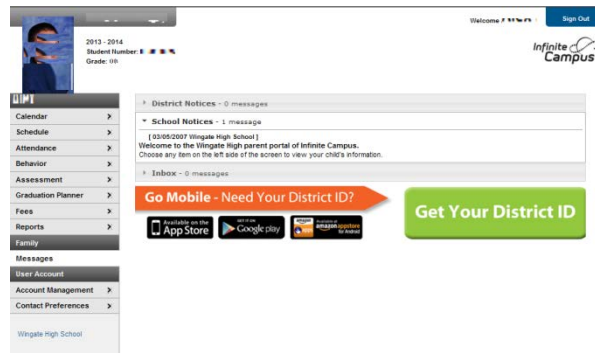

Username – 6 or more Characters

Password – 9 or more characters including at least one number

Parents need a username and password to access their child's information. Please contact the network manager at (505) 488-6459 for assistance in creating your username.

Students login using their NASIS ID (it appears on the schedule) and network password.

Once logged on there are links that allow access to schedules, attendance, gradebook records, behavior records and more.

A parent may also update their password and family information using the User Account tools.

Mobile access is also possible using either an Android or iPhone. The IC Mobile Portal App is available for download from the Google Play, Amazon Appstore, or iPhone AppStore.

1. Download and install the App
2. Launch the App and enter the WHS District ID: **MDTJZH**
3. Enter your Portal Account info and sign in.

**One Touch.
Tons of Info.**
